

We are committed to promoting a healthy and enjoyable environment for all who work, visit and dine at Reston Town Center.

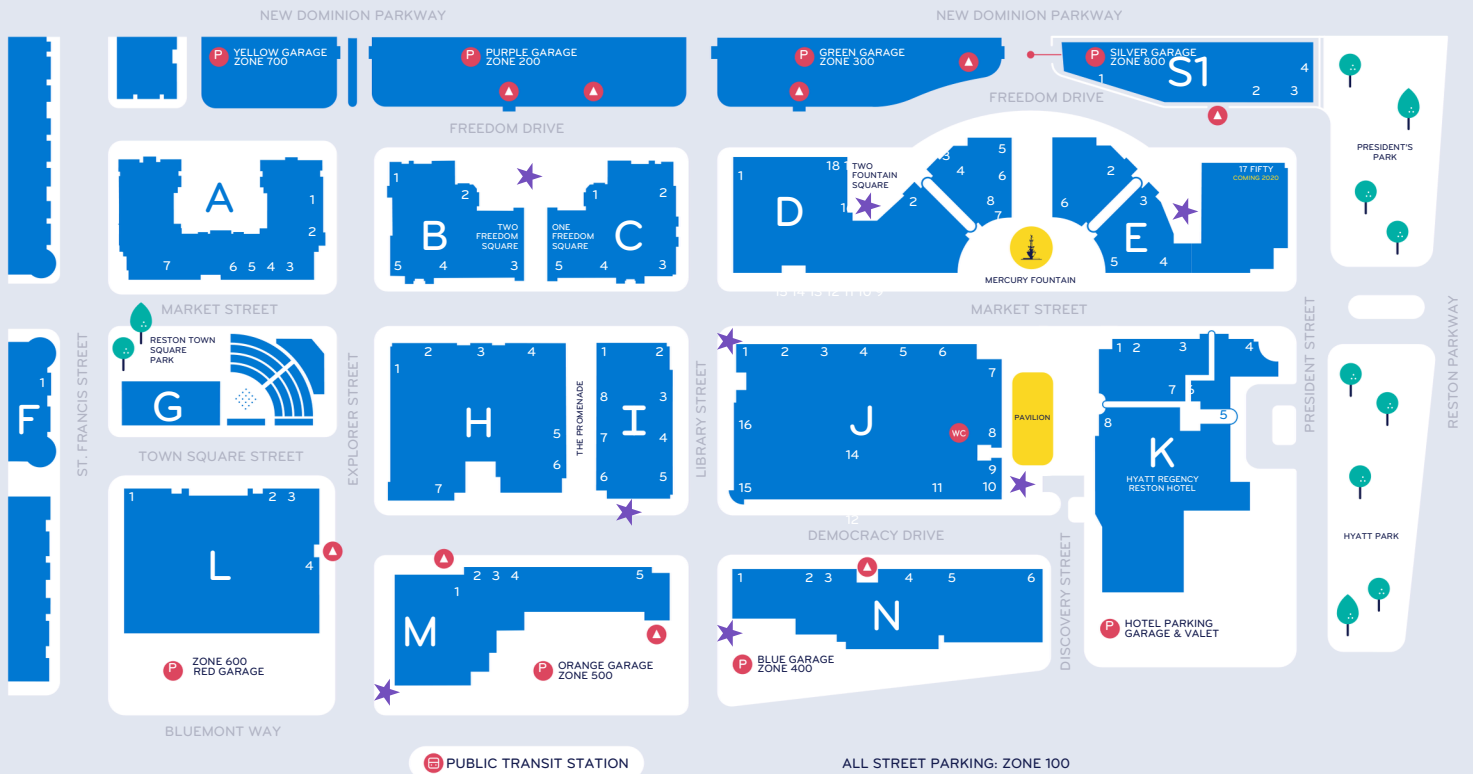

In accordance with local ordinances and the Virginia Clean Air guidelines, smoking at Reston Town Center is prohibited in all leased and common areas of the property, including office areas, conference rooms, restrooms, elevators, lobbies, stairwells, rooftop terraces, service corridors and garages.

Smoking is permitted in designated outdoor areas only. Acceptable locations for smoking are marked with property signage and situated 25 feet from all building entrances.

Our security team strictly monitors the property for compliance; violations can result in a civil penalty.
